“ *Sweet Caroline, you will always be in my thoughts and in my heart, I thank God for giving us the time He gave us with you. In the last days I asked Jesus to please stop your pain and suffering. We witnessed a miracle through you. Your last words to me were, “you can come and see me, Lotty,” I told you I would see you when you get home. I love you always and forever. Your Aunt Lotty.*

“ Dear Carol Gutierrez Family, we are sorry for your loss. I remember Carol when I was a tween and she was a few years older. She was so beautiful, Kline, sweet and caring. She always treated me so well. I remember her beautiful smile and I can still here make her quiet opinion then smile so softly. I was blessed to have known her then. You each are blessed to be called her loved ones and dearest ones. Please keep her memory alive by remembering all the good and funny things she did and said. Remember also the good advice she gave each of you. Live by her example to smile and rejoice with Praise to God even in the hardest moments of life. Don't give up until God gives you permission that you may be with Him in Glory. God bless each of you with strength and comfort. Crissie and Mark Leyba
