“ You'll forever be in my heart brother... My breath of fresh air always and forever... Not a day goes by that I don't relive a memory that we've shared...I miss you brother..I know your smiling down on us... Little Casey's good brother no doubt about it, you'd be so proud of him and how smart he is...I could go on forever I have so much to say but we'll save all that for when we meet again..... Always MY BROTHERS KEEPER...G..

“ I use to go to school with him. To bad this had to happen. The one who will suffer the most is his baby boy who wont be able to play with his daddy ever again. Lucky that shadow has good homies who can help with the baby. And to keep his memory alive through his son... R.I.P. NOW HE CAN BE HIS BABYS ANGEL.....
