“ To the family of Cecilia "Toni" Torres, from The Thomas Family in Arizona, we send our profound, sincere condolences for your loss and for our loss, as well. Rest in peace dear cousin and we shall remember you as an Angel from heaven, who came down to earth, to spend some time with us. An angel that was kind, loving and giving, living by the tenets of GOD'S WILL. Because HE graced our lives with your presence, for a short time, because we believe in Him, we release you to Him that gives and He that takes away. Soar on, Sweet Angel, back to heaven, back to the open arms of His grace. We will always remember you as an "Angel that flew too close to the ground," On behalf of the Thomas Family, Millie j. “ *Cecilia they say that angels exist here on earth and in heaven. They also say that God brings people into our lives for a reason. I believe in both ❤️.*

God led me to Sylvia and she is truly a strong, beautiful, strong women and a good friend. The 1st time I met you was for your 50th wedding anniversary. From that day forward, I look at all of you as my family. The love you have for your family is remarkable! I loved your hugs, and your welcoming spirit.

I'am sad that you had to leave but I know that earth is our temporary home and you have received your angel wings. I will miss you dearly and in case I never told you..I love you
