“ Celia was a woman who lived so dedicated to her home and family, her children were her world, she lived for her children.. like everybody else she had ups and downs but she was a mother, wife, a good sister in-law with a kind heart..

In her last 5 years of her life I felt that we connected in more trustworthy friendship as brother and sister in-law's that we were.. we got closer, we spent good hours talking on the phone having those long conversations that sometimes you have only with some people that you trust..

I found out that I was not only her brother in-law but I also was there to listen to her..

In our conversations she always said that she was not afraid to die, but the only thing she was afraid of was leave her children alone and not knowing if they will have have a good life.

Nothing else matter to her but her family.

I was in my late teens when me and my mother were her babysitter for all her kids, I was in 30's and still helping her to babysit her youngest son (kevin) all wonderful children!!

I found on Celia not only the sister in-law but also a friend that I will miss dearly..

Celia, thank you for all your trust!!

You'll be missed..

Rest in peace

“ *I loved your beautiful words of love for your mother. I didn't know her, but I felt so much love for her. She is with the Holy Family, all the angels and saints in heaven and in God's beautiful garden. Prayers for all of you.*
