“ Charlie was a people person who loved his farming roots. He could be a little cantankerous at times, but he was always there for his wife Nancy, Dwayne and his step children. He was a perfectionist in everything he did. He was a very frugal man. Brought up in a disciplined farm family. He was always working hard and even in retirement, kept busy around he and my mom's two properties with repairs and maintenance. He loved his 73 F100 and his tractors..He is dearly missed.

“ We lived in the house behind Chuck for 10 years. My daughters and I visited him when we revisited NM a few years ago and had a few good laughs about me rescuing his dog and old times. He was a great neighbor and a good friend. Always had a smile and mostly I remember his laugh and his cowboy boots with the spurs he would put on my vinyl footstool :). May he rest in Peace. “ I will miss my brother Charles and our last hit game we always played whenever we saw each other or on the phone. Even though we lived far away from each other we had alot of fun conversations on the phone. My Sharie sure did love her Uncle Charles and now will once again get to be with him. Charles had such a gift to gab and was loved by everyone he met . Stay strong Dwayne and I am praying for peace for you in this time of your loss of your Dad . Love and prayers for all relatives and friends of Charles. See you and get that last hit again some day my dear brother, your sister Sharon
