“ *Barb and family,
It was a very real blessing to meet Wayne this past year and be ministered to by him. He is someone I would like to have known for all my life, and for those who did, I would bet seeing him after some time of absence the reunion was as if you just saw him yesterday. It will be like that the next time we meet him. God Bless,
Love,

“ *Barb and Family,*

We received notice today of Wayne's passing from a friend of ours who knew that we used to work at the turf ranch. I was speechless and saddened to learn about this huge loss in your family. Doug and I send our prayers, thoughts and sympathies to you all. We know that your faith will bring you comfort in realizing that Wayne has overcome death because he is now standing with the Lord in fullness of spirit. At the same time, I know that this has left a huge void in your lives. We pray that through this season in your lives you will find a stronger sense of hope and trust in the Lord. Words can never express what you all meant to us during the hard times that we faced and the help and support you extended to our family. You were always such an encouragement to us and made us feel as if we were a part of your family. Please don't hesitate to let me know if you ever need help or would just like to renew a long standing friendship. Love to you all, Karen and Doug Baltzley

“ Dearest Barb,
Our condolences for this most difficult time. We will all miss him so very much. You and Wayne brought so much joy & inspiration to so many with your special gift of hospitality that God blessed you with. I have so many fond memories of spending time at the ranch and being able to worship & praise Our Lord and Savior. I think often of the time we spent in Israel & what a very special time that was. Barb, we will be praying for all of you. I am trusting God that He will give you His peace that passes all understanding. Love to all!

“ So very sorry for the loss of such a good man. We got to know Wayne and Barb when they first moved to Meade and rented a place from us. We were thrilled that we finally had someone who loved creating beautiful flower gardens as well as wonderful pieces of art. Wayne touched our lives in many important ways. Doug and I (Lucy!) will miss him and his warm, welcoming ways...Doug and Sheila

“ I will always remember the many, many times we spent out at the turf ranch. Times of fellowship and Bible Study, baptism's in the big pond and singing praises to our Lord, Jesus Christ. My prayers go out to you, Barbara, and to all the children and grandchildren. We know without a shadow of a doubt that Wayne is standing in the presence of God and greeting all those who have gone on before him. Kay Reed

“ Dad you were always Larger than life, amazing father & teacher. No words can describe the huge hole your leaving us has caused. The only comfort we have is Jesus will fill this massive crater until we are all together again in heaven. All of us kids know three things; take care of mom, support rest of family, and make sure we all have a personal relationship with God so we can be together again! Love you!

As one of my childhood friends, I knew him to be an honorable and hardworking individual. He had a plain spoken method of communicating complex emotional views and his council will be missed by many. My condolences with his family and other friends.
