“ Charlie, It is so difficult to accept your too early departure from this earth and your beautiful family. You have been an example of what hard work really means, your dedication as a young student, always polite, always with a positive and genuine smile. Your talents as a teacher touch hundreds of young children. You developed talents as a historian and artistic person will always bring memories of you and what positiveness you represented. You leave behind a beautiful wife and children that will treasure you and your meaning of life. You dedicated yourself to the church, to the people that made up the church. As your teacher, coach, my wife and I will always have fond memories of you. We will lift you up in our daily prayers. My wife and I will always remember your peaceful way of speaking, your comforting walk, your kindness and positiveness of how you looked at the world and others.

May God Bless You and Lift your Soul to be with our Lord Jesus Christ.
