“ A message from Chris' little sister & family: Kimbery, Marty, Carlos & Marcos: Chris was an awesome big brother & uncle. He was 9 years older than me so we grew up during very different times. He was the founder & member of Mi Vida Car Club but I was too young for all of that. He was one of the most generous persons that I have ever known. He bought me mcclain rims for my first car, a 77 Grand Prix, and said I needed to have the best ride in Los Lunas. He trustingly let me cruise town in his red dodge blazer and his silver corvette. Chris loved his two nephews, Carlos and Marcos. He spoiled them rotten with attention and gifts since the day they were born. Just like for me, Chris made sure both boys had nice rims on their rides too. Chris made such an impact on all of our lives, so much in fact, that both Marcos and his 5 month old son Martin have Christopher as their middle names and Carlos was quick to choose Chris to confirm him. Chris and Marty became fast friends and then brothers. They had a lot of good times, good laughs and talks about Chris' Raiders and Marty's Forty Niners. Chris will forever be in our hearts until we are all united again in Heaven.
