“ I'm so sorry for your loss. There is nothing that can prepare a person for the feelings of losing a family member.

The Bible describes Jehovah as a God of all comfort, at 2 Corinthians chapter 1 and verses 3-4. One scripture that has brought so many people comfort is Revelation chapter 21 and verses 3-5 because that describes a promise from God that is specifically touching to anyone who has experienced the pain of losing someone. Again, my deepest sympathies for your loss.

“ Trujillo Family,
Please accept my sincere condolences. The loss of a parent, a grand mother or any family member is indeed a difficult event. Tia Fedelina and Tio Manuel reared a wonderful family and their children in turn did the same. May the lessons and examples they left for us, be thier gift as we remember themand emulate them during our earthly journey. Josie was my Madrina. Now Cidia has joined her and the others who have left us to accept her eternal reward. RIP Cidia.
