“ *Death is a part of life. For the ones undergoing life its hard because we must adjust to a life without our loved one in it. But it isn't all bad. She wont be deaf, she wont ache or hurt to move from her aged body. And mostly she will re unite with her husband and her son, everyone she lost. And she will wait for us to guide us when it's our time. I love you grandma, you will be forever missed until we meet again. -Rina*

You were always there for me throughout my life supporting and loving me even when I made mistakes. You were my rock and my strength when I was weak.
