*You are such a special family, spreading love everywhere you go, you saw this in your Husband, Dad and Grandfather, and you honor him by spreading this same love. Lupita, you and Margo always lit up when asked about your Dad and Grandfather, your love for him was so evident, he was a lucky man to have you, and all his Grandchildren as well! He was so proud of all of you, he loved you all so much!*

“Wow, Where does one begin to say what a full life my father had after 85 yrs & 9 months! So full of joy & such a social person, He was married to my mother for 67 years, they were married at age 18, lived in Los Angeles, Ca until I was 3 yr old, then returned to Peralta, NM where he built his home, which he & my mom, along w/ friends and family, took a yr to build, moved into it in 1960, and still lived in 60 yrs later. My dad loved to play his guitar, sing with his guitar buddies and friends, anyone who would sing with he and my mom. He loved to dance, he and my mom were great dance partners, doing a mean polka, rancheras, and rock n roll with my girlfriends, My dad loved to travel, a few countries and throughout the US. He was a hard worker and great role model to his grandchildren (7) and great-grandchildren. My dad loved farming, working on the fields, all summer long, irrigating, growing alfalfa, baling and hauling it in with the help of the grandchildren. You learned to drive, when your feet reached the pedal of the tractor. Dad had many dear friends & cherished his family, including many nephews & nieces! He always lightly pinched all his nieces noses, a form of love, and they always expected him to do so every time he saw them! There is so much more but, I will end here just to say he is resting now and we will so miss him! (My daughter Margo and her Mikie, were so devoted and helped him so much as his health had declined in the last 2 years!) Love to all of you for your wonderful tributes and kind words!
