“ Uncle Floyd , Dorothy, Natalie, Anthony, spouses , grandchildren, and great grand children.

God has taken my auntie Cleo. She was my aunt, she was my 2nd mother, my sister, my friend, my support, my confidant. Since I was young I always spent time with her. We were always very close. We would talk on the phone quite often, sometimes she could not hear what I was telling her but she would talk and I would listen. A woman that I adored and loved very much has gone to a better place. She is at peace now and no more suffering. She is now with grandpa, grandma, sisters, brothers. All in heaven.....I will miss her so very much.. Its hard to understand why people are taken from us, but I find comfort in knowing she was a special part of a well- lived life.... When the Lord calls our loved ones home, he leaves a gift of memories in exchange... May angels walk with you today and always. My wonderful aunt Cleo..... You will always have a special place in my heart...

Wishing you and your family strength, love and peace at this difficult time...

Love and God Bless you all
