“ So sorry for the loss of Colton to all who knew him, especially his family and friends. He was taken too early. Our family was blessed to be a part of Colton and his family's life. He was always so giving, kind, hard working and full of humor. He made going to work a better day just knowing he was there. Our heart was broken after hearing about the loss of Colton. This little pic on his tool box brought a smile to my face just knowing he was a believer in Jesus Christ. Hope to see him again. Prayers for the Donche family.
