“ I have so many great memories of Chris & Rachel growing up. These two were very special to me! I played baseball with Rachel, Chris was our coach. Hung out with them, i was very fond of both. Later after Rachel passed Chris & I talked about the great memories we had of the good ole days. Those two we inseparable except while she drove the bus. I am positive she was at heaven's gate waiting for him to arrive. What a greeting he got I am sure. Boys and grandchildren I want you to know these two people who I adored for so many years were meant for each other and were not afraid to let everyone know! May you rest in peace Chris. Give my love to Rachel.
