“ Cynthia, You were a truly wonderful woman who meant so much to our family, and I will always remember how caring and loving you were. Growing up I always knew we were in for a great evening of laughter, fun, and great food when my my mom and dad would announce that we were going to the "Chavez's". When we'd get there we were always met with a smile and BIG hug. In our junior wrestling days, you were Robert and I's biggest fan, and were a blessing to have in the stands. Especially after a tough loss when you would be a comforting voice and rub on the back. You will be greatly missed and will forever be in our hearts.

Love,

“mom, you were and always will be the strongest woman I know. I could not have been blessed with a better mother. you always made sure that all of us were taken care of. I remember when me or Robert were sick you would let us go lay in your bed and you would just baby us. you were always going on field trips with us for school, volunteering to come sell popcorn, or coming to just eat lunch with us. I still have no idea how you balanced everything you'd do... you were a real life wonder women. I thank God for giving you to me as my mom. I miss you everyday. everything I see reminds me of you. I can't believe you're really gone. my heart will never feel whole again. I love you so much mom. God has the most beautiful angel he's ever had in heaven now and I know your going to be watching over all of us now and keeping us safe. you finally get to meet little freddy and he gets to see what it's like having such a great mom. kiss nana and mr Johnson for me and I'm sure that one day I'll get to run up and hug you and kiss you. I love you mom. thank you for showing us what true love feels like. I miss you!💔
love your daughter,
Jessica

“ Oh Cynthia, you were my best friend in middle school and high school. You used to pick me up in your car; was it a Nova? I can't remember but we used to have lots of fun. I recently started looking for you on social media as you would come to my mind so often when I would think about out high school years and when I would drive past casa colorada. I remembered you lived there. I saw on Facebook on the Class of 80 page that you had passed away and I was so saddened to see that. I will always remember your great laugh and how you made me laugh so much and our great times. Rest in Peace my friend.

“ Uncle Ricky, Robert, Jessica and family,
I got to know Aunt Cindy when I was younger. She was my and
Kevin' recreation teacher. We laughed because we knew her before
Uncle Ricky did. My dad called her the laughing hyena because she
laughed all the time. Keep her alive by talking about the good times
and praying. God will take care of her until you meet again. We love
you.
