“ Cynthia was one of the most beautiful and loving people I have ever had the pleasure to meet. She brought sunshine and happiness with her beaming smile and cute laugh. She loved music so much and De Colores was her favorite song. I was honored to know her and she will be greatly missed. She brought happiness into everyone's life.

It has been a joy knowing and getting to spend time with Cynthia over the years. She was a kind, confident and happy lady with a great sense of adventure. She loved to dance and she was good at it, too! She also loved to sing hymns and would join anybody in singing Amazing Grace. I treasure my fond memories of Cynthia. She will always have a special place in my heart.
