“ Mom: I am sorry that you and Papa Dale had so few years together, but I am grateful for the love you were able to share during those years. I enjoyed watching the two of you walking hand in hand, and sitting on my lanai enjoying the view while you talked and laughed with each other. I remember countless phone calls between you and I that were interrupted because Dale snuck up on you somehow and scared you so much it made you scream ... I could hear him laughing in the background, so pleased he had gotten you again! I was pleased to see how he showed his love to you, and always saw his eyes light up when you came into the room. Although your years together were few, you were faithful to your vows to "love, honor and cherish 'til death do us part." Dale was blessed to have such loving care from such a loving wife. I'm glad Papa Dale became part of our family.

“ Our family has so many great memories of our dad, grandpa, great grandpa, and great-great grandpa!! You and grandma Holmes always showed us unconditional love. You will always hold a special place in our heart. We have found peace in our heart knowing you and grandma are together once again and you are now laid to rest in your home state of Nebraska. May you rest in peace Grandpa Holmes. We love you!!!

“ Joan, We love you! We are sure sorry about Dale! We have always enjoyed Dale and loved him! We have missed seeing you both! We have always enjoyed seeing you both at church at Westway on Sundays. We enjoyed having you as neighbors when we lived on avenue D. Dale was a great neighbor and was always kind to us. Every spring Dale was the first one to start gardening in the big garden spot! :) He was a good kind man and will be missed. Someday we will all be in Heaven together! God Bless You Joan! We love You! Matt, Marylou, Sarah, and Michael Salomon

“ Dear Joan, I want to send my sympathy to you. I just heard about Dale's passing. I am so sorry. How are you doing.? Will you be coming back to the Scottsbluff area? Give me a call sometime. I didn't know Dale very well but he was a good person to be around. I pray he wasn't sick too long and that you are doing okay. I do miss hearing from you. My prayers, Wanda

“ My condolences to the family of Dale Holmes. I have known Dale since Leona was a senior in high school (I although was MUCH younger) :-). Through the years, I have worked with and for Dale at Pathfinder Irrigation. I started working at Pathfinder in 1976 when Dale was the watermaster at the Minatare Division. Dale was always approachable as a supervisor and seemed to enjoy that we gave each other a bad time in a friendly manner. He was a GREAT asset for Pathfinder and the area farmers and will be sorely missed. Richard Harriger
