“ This is my mother she was an amazing mom and great person to be around. If you known her she would always have a smile on her face and always would be there for you. She was a very loving sweet gentle person I will forever love you and keep you with me. Her favorite color was purple and when her eyes were in the sun they would always have a spark you can't stop looking at. Her food was really good cooked with love. She would always make me laugh she was very funny. I love you mom you will always be in my heart forever this is goodbye for now see you later. 💜 🕯️ 🕊️
