Dear Florie and family, please accept our deepest condolences. I'll always remember David's great smile and his hearty hand shake. Always loved visiting with you two when getting together for Chinese food. I had been wanting to do that again except covid messed that up. We send our love and pray God will comfort your family with his great love.

I remember David from the Gym, he was always ready with a smile and hearty "Hello". He was part of the older "Bro's" in the morning. I will miss him as I know your family will. RIP David, may your soul soar with the best.
