“ My uncle Dave, thank you for all the love you gave to all your friends and family and serving our great country that you loved so much. There's no words that can fix my broken heart so I just want to thank God for blessing all of us when he sent you. My aunt Mary, you loved her so much because all the love and joy she gave you so I thank God for bringing her into your life because you deserved the very best and so did she. I have so many great memories of you when we all would get together and go fishing and when you let me ride your riding lawn mower when I was little. Thank you uncle Dave for serving our Lord and putting him first in your life because that's where your love came from. R.I.P. I love, Jimmy.

“ *My loving condolences to Mary and the family through this difficult time. I think one of my favorite memories of "Cowboy Dave" was of him and my Sarge dancing together at family functions. Such hams, both of them! They may both be gone now, but they'll both have a place in my heart forever.*

“ *Dave and I always wished each other a happy birthday when we saw each other at church, even though it was never our birthdays. He was fun to joke with like that. Plus, he always remembered to bring me rocks for my collection. Condolences to Mary and the family. Our prayers are with you.*

“ Mr. David was more than a friend, he was a part of my family! I will miss his happy conversation and interesting story telling. I smile every time I think of "Dave" because he was ALWAYS smiling and happy! He made me feel so special and was always happy to see me or help me and made me feel like I mattered and was so important. Selfishly I like to think that I was the only person that he made feel this way, but honestly, he treated everyone this way. He never met a stranger, he was the most loving husband to Ms. Mary and his children/grandchildren. He was the kindest man and I will miss him dearly. Thank you Dave for the many blessings you bestowed on me and my family in your friendship and love. You will be missed but never forgotten and loved for an eternity.

My sincere and heartfelt condolences to the family of Mr. David. He was definitely one of a kind!
