“ *And This With Love*

Even as I dwelt among you
I knew the time would come
to close a chapter I had opened
on life and all things done.

Knowing that my days were counted
I chose my life to be
a reflection of my spirit's calling
through friends and family.

I called all I met a special friend
and all I loved my own.

I knew that when we bonded in love
we never walked alone.

I lived my life with full acceptance
of the joy I knew was mine –
that by giving of myself to others
God's light in us would shine.

*I chose all manners of expression
in the things I loved to do
and the sharing of each moment
was special between me and you.*

*And so with love I lived
and now with love it ends
and too with love I say farewell
to my family and my friends.*

*But don't think that I have left you
for in you I'll always be
a spark of light, a touch of love
and a living memory.*

*I have no regrets in passing
now that my time on earth is done
for in this walk with God I know
my journey has just begun.*

*This is my greatest walk in life;
my spirit free to roam.*

With life more than I ever knew

as now I journey home.

“ *Diego was a great coworker. Always helpful and willing to step up to any challenge. His many skills were always useful to solve problems and we will miss him dearly. He always had a smile and great attitude, shared his personal life with us and was there to listen to other's issues as well. Very shocking news to find out of his passing. We will miss his company.*

“ In my mind is the memory of watching Diego hit a tee shot at Belen golf course, number 8, and he's aiming at the river....I asked him where he's hitting, just watch this he says....middle of the fairway! Well right on...The Lord needed a fourth. And he picked up Diego. Thank you Lord for sharing him with us for the time you could spare him. Keep Diego in perpetual light.

“ *Diego will always have a special place in our heart. He was the one we (Vincent & Sandra Lopez) chose to be our "ring boy". We saw in his face he was honored, but the honor was ours! Diego was not only a cousin, he was a true friend.. May the perpetual light shine up him as he enters into God's Kingdom.*

“ *Diego was like big brother to me. He lived in AZ for a few years while attending Devry. He used to visit for home cooked meals and family time. We all miss him so much. That laugh was one of a kind.*
