“ Lori - I am so sad to hear of the passing of your dear Mama. She was so young at heart and I enjoyed her joining us Blue Star Mothers at meetings, parties and especially her talent at our arts and crafts sessions. What a wonderful presence she brought! She'll always be with us in spirit. And may you find comfort knowing that God will continue to bless you and your family as He now enjoys her presence. Debbie

“ Blue Star Mothers had a Christmas Party. We exchanged gifts and I won a towel with frogs on it. Every time I see it I think of Dolores. From now on every time I see a frog I will think "Hi Dolores, I will let Lori know you came to visit."

“ Hugh, Loretta, Lisa, Michael, Mark & Sanchez Family,

It was a long time ago that Dolores and I walked in the halls of Belen High School where I had an opportunity to hear some of her dreams and hopes. She carried from early on a beautiful love and affection for family and friends that so captivated souls. I lost track of her but years later reconnected with Hugh and her. She was still that beautiful and non-pretentious prima. I was fortunate to have spoken with her and Hugh in Jarales, in November of 2016.

Her earthly voyage with us, though much too short, has come to an end. Let us keep her in our hearts like that rose we see climbing that garden fence. Let her be our unforgotten and constant companion. May her voice continue to fill our hearts with joy and those memories of her embraces be the light of our lives.

Joy and sorrow will come and pass like the waters of the Rio Grande. Keep in mind, her humanness will rest in Tome, that place so dear to her. Time has a way of healing but only up to a point. I wish all of those whom Dolores loved: peace, continued grace and those smiles she wish for all.

Dolores's voyage with us was a lovely one. I will miss that beautiful and gracious lady. Now in keeping with her religious faith, she rests in Heaven.

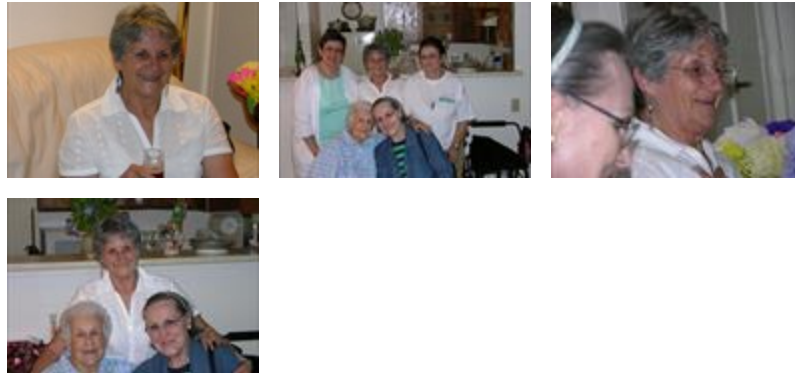

I submit sincere condolences on behalf of Sue, myself and family. I wish we could be with you during this trying time but distance precludes it.
