“ *I will always remember going to your house after FB practice. You would fry me up a little steakito with fresh tomato slices. Til this day I can't eat a steak without craving tomato slices! Thank you for all you sacrificed to forge our family and the extension that is my family. You lent me the \$ to buy the ring to propose to my wife, and I will work hard to make you proud always. I Love you more...*

“ I am truly sorry for your loss Belen and family. Delores was a beautiful soul. I was blessed to know her and to have had her famous salsa. She was the sweetest most caring human being you could ever meet. A prayer warrior here on earth. God needed her because her work here was done. It's not good bye. Life here is just a blink of an eye in heaven. See you again Delores but until then we'll miss you and love you more 😊
