“ My favorite memory with my dad was when we went to hinkle together and we were racing go carts and just spending time together. Also the day I graduated cause he drove me and helped me be less nervous I'm just sad and upset that the pictures I took with my father that day are gone but just seeing my dad proud of me and to hear him say that he was proud of my accomplishments was the greatest moment for me I'll never forget my dad he is my everything and I will see him again in heaven someday
