

Dominic E. Mora

February 21, 1987 - October 1, 2020

Dominic E. Mora was called to be with his Lord and Savior Jesus Christ on October 1, 2020. He was raised in Tomé, NM and was a member of Immaculate Conception Church. Dominic graduated from Belen High School in 2005 and went on to earn a Fire Science degree from CNM. He continued on the family tradition of being a fourth generation fire fighter for Albuquerque Fire Department. He later found pride in being a railway conductor for BNSF Rail Road. Dominic is survived by the love of his life, his daughter, Jessica Barbara Mora whom he lovingly shared with her mother, Janessa Alderete and his parents, Sandra and William Mora. He is also survived by God Parents, Vince and Diane Mora; Grandmother, Gloria Garcia; Aunts and Uncles, Ralph and Cindy Mora, Mark Mora, Paulette and David Gonzales, Michael Mora, Margaret and Paul Mares, Gilbert Garcia and many more loving family and friends. Dominic was reunited in Heaven with his sister, Jessica Krystine Mora, whom he missed dearly while on this earth. He is also preceded in death by grandparents, Billy and Maryann Mora and Gilbert Garcia. Dom was a kind, loving, generous human with a smile that would light up any room. He never met a stranger who didn't love him, as he will be missed by so many. Honorary Pallbearer will be Cousin Daniel Leyba. Services will be held on Thursday, October 8, 2020 starting with a visitation at 9:00 AM, Rosary at 10:00 AM, Funeral Mass at 10:30 AM and Interment following. All services to be held at Our Lady of Belen Catholic Church. Please sign Dominic's online tribute at www.romerofuneralhomenm.com Romero

“ *Dear Moya family- Many years ago as a Belen High School teacher I was blessed with having Jess & Dom as students. Jess was with me on 9/11 & I learned from her the honor of being a firefighter. Sadly Jess did not come to class one day... Dom was such a strong young man & I love hearing his dream to follow in his familys footsteps became a reality. I was so touched to read he named his daughter Jessica Thank you for sharing your as beautiful children with the world-they taught me many lessons I continue to cherish. I am so sorry for your loss and send my deepest condolences.*

Dear Mora family, my name is Adam Tarwater. I got the pleasure of meeting your son through railroad sanctioned schooling in Knoxville. We were roommates. I instantly became fast friends with Dom and we talked every week after. Dom was the best walking portrayal of Gods love I have ever seen in a man. I'm truly pained at the hearing of his passing. I do not have a Facebook but my cell# is 816-305-1352 if there is anything I can do to help. God bless your all in my prayers.

“ Will and Sandra,

I am beyond words to describe my grief for the untimely death of your beloved son, Dominic. I was fortunate to have been able to work with him and enjoyed the light he brought to days that were dark. He always had a bright smile on his face, and that is exactly how he did his work, with a smile, every day. I can remember conducting interviews for positions we had open at the fire department. He was nervous, poised, sitting straight up, properly dressed, and you could tell he was answering every question genuinely with his heart. He was representing more than himself. It was his family that was fueling his fire to follow the footsteps of his dad.

Dominic always remained positive and would always see the good beyond the bad. In the fire service, we see so much tragedy and grief and on occasion will have a good day filled with temporary happiness. Other fire fighters would also lean on him for advice, or an ear to listen, or a heart to understand. Not one day ever went by that Dominic would show up to work late, unprepared, or moody. He remained an ideal employee with integrity, respect, personal accountability, and love for the career – qualities and traits seldom seen by a new generation of fire personnel. He worked extremely hard and earned everything provided to him. I commented many times that I wish we had 20 Dominic's and our department would be so much better.

He started his career during some trying times in our department. We were transitioning to a new chief, trying to grow our personnel, purchase new trucks and equipment, fighting for the salaries and benefits of our staff, and increase our medical services to the community. He was there every step of the way and always went above and beyond what he was ever asked to do, and more. He always kept busy and would often see me sweeping, mopping, cleaning the trucks, or whatever station duties had to be done. Respectfully interjecting me, he would take the broom or mop and

say "I've got this Chief. I'm sure you have more important things to do."

Some people earn their wings much sooner than others. No one could understand what you are going through, or the path of life God has made for you having lost both of your children, and no words can console. It is the love you have for each other and of your family that will help you along the way in this journey we call life. As Jessica and now Dom are resting in peace, it is us that live in sorrow.

*Thank you for allowing Dominic be part of our fire department.
Brothers for Life!*

*With love and respect,
Chief Manny Garcia (Ret.)

“ *Sandra and Family,*
Words are not available to express my sheer sadness and sorrow for the loss of your Dominic. Although it had been a while since I'd last seen or spoken to him, it was evident that he was in a joyful and accomplished place in his life. I'd been witness to seeing him grow up over Sundays in mass. His kind and friendly demeanor and radiant smile I'll always remember.
Please accept my sincere and heartfelt condolences for your immeasurable loss. Prayers to you all for peace, healing and understanding.

“ I smile when think of Dominic because of his easy demeanor, hilarious sense of humor and his mischievous happy smile that would light up a room! He made me feel so special; he was always happy to see me, eager help and always made me feel like I mattered and was so important. Selfishly, I like to think that I was the only person that he made feel this way, but honestly, he treated everyone this way. He was the kindest, and most loving man and I will miss him dearly. Thank you “Dom” for the many blessings you bestowed on me and my family in your friendship and love. You will be missed but never forgotten and loved for an eternity. My most sincere and heartfelt condolences go out to William, Sandra, his daughter Jessica Barbara and her mother Janessa, along with all of his loving and extended family.
