“ *Domi was a special friend of mine when I graduated from high school. That summer we went on a road trip to Oklahoma to visit her husband, Bill Gabbert's family. It was a hoot! We smoked cigarettes all the way going and coming and that was the one and only time I smoked in my life! I'll always have good and fun memories of Domi! May God bless her soul and open the Pearly Gates of Paradise to welcome her home! May God give strength and comfort to her kids, mom and sisters!*

*Descanse en Paz, Domi. It was many, many years ago that I last saw you. I brought my Auntie Frances and I think, my Grandma Vallejos for an afternoon visit. You were so funny and sweet to me, and then showing us around my Grandma and Tata's old haunts was a hoot!*
