“ Sending my heartfelt condolences to my cousins Sharon and Randy and their extended family. How amazing to see the growth of their family. I was fortunate to have her as an example of leadership in the community and family how much she contributed to my values of life when she was so gracious to teach us girls as our 4 H Instructor. We had fun times and got to travel throughout New Mexico. I will always have fond memories of Auntie Doris. She was tough but did have a sparkle in her eye and a wonderful smile. She will certainly be missed.

“ Auntie Doris will forever hold a special place in my heart. She and Uncle Salo were my Godparent's at Baptism. They both were also my First Holy Communion instructors. She was our 4-H Leader and her life encompasses the 4-H Pledge: I Pledge my head to clearer thinking, My heart to greater loyalty, My hands to larger service, My health to better living, For my club, my community and my world. I will always be grateful for all that she taught me but most of all I'm grateful for the love she shared with us. Our deepest condolences to Sharon and Lee, Randy and Brenda, to her grandkids, great-grandkids, and her siblings. May God bless and keep you all in the palm of his hands. Your cousin, GeraldAnn and Robert

“ I will never forget the way she consoled my dad after Robert got so sick and died. Every week she was there to be with Uncle Bob. I will miss her laugh and that twinkle in her eye. I have many fond childhood memories of her coming to visit or going down to see her and Solo at the farm. What a lovely woman. She is with the angels in heaven now.
