“ *Oh my gosh! I'm so sad to hear of Earl's passing. I remember as a little girl visiting Earl and Kathy, as well as his mom. Even though life takes us away from those we have cherished memories of, and we haven't seen those people in a long time, they are never forgotten. I can't recall the last time I saw Earl, but, I remember his smile, his witty sense of humor, his good looks...and his Wranglers. First guy I vividly remember wearing jeans. :) Ok... Maybe I had a bit of a little girl crush on him too. Kathy and family, you will be in my prayers for peace and comfort. May God show you His love during this difficult time.*

I am shocked to read about Earls passing ! I was just with him not more than a couple of months ago and we talked about some of the old times me and Earl had went through! When I was much younger Earl showed me how to work on motors and helped me build a car! He showed me that with is guidance and patiences one could accomplish anything! My heart goes out to Kathy and his son they to were wonderful and loving people!

“ Dear Kathy, April and Steve,

Words cannot express how much my heart goes out to you. I loved Earl for his quick smile and kind words. And I don't think I ever heard Earl speak harshly of anyone except liars, thieves, and select politicians. He was a genuine pearl of a man and will be sorely missed.

With deepest sympathies,

Shelley and Ron Alsbaugh
