

## Eddie Diaz

October 22, 1979 - December 31, 2023

1979-2023

Eddie Diaz, age 44, of Santa Ana, CA, was born on October 22, 1979. He is survived by his mother, Andrea Lopez; his brothers, Jesus and Domingo Gonzalez; sisters, Alejandra Diaz, Lety and Dora Gonzalez; and partner, Ana Vargas who loved him deeply. A Visitation will take place on Sunday, January 7, 2024, beginning at 12:00 p.m., with a Celebration of Life at 3:00 p.m. Eddie lived by the gun and died by the gun on December 31, 2023, at 7:30 am (homicide). He was still grieving the death of our dad, Juventino Diaz, who passed away 10 years ago on Christmas Eve. Eddie reunited with him for a great celebration on New Year's Eve 2023. He lived a vibrant life and unfortunately, his life was cut short due to a tragic incident. Eddie will be deeply missed by all who knew him. He kept everyone on our toes, he made us laugh, made us mad, and made us happy when we were sad. Eddie had a special love for kids and dogs, often rescuing stray dogs and bringing them home. He leaves behind his beloved fur babies – Rio, Canela, Guero, Daisy, and Rosie his cherished goat. May you find eternal peace. “ I would like to send my condolences to Eddie’s family. Although I have not met any of his family and he was, I would call a great friend of mine, although I didn’t know him for very long all but a short, two years and do I wish it would’ve been a life long one but it was cut way too short. Eddie was always so helpful and you could see the love he had for kids and for dogs and her me and him would sit there sometimes and talk for hours. It was so easy to talk to him you knew under all his life experiences there laid a good hearted respectful, funny guy who just wanted to always make sure I was good. Even when he wasn’t hanging around my home as much he would periodically drop by just to check see if everything was good and hang out for a little while. I always look forward to those times, he always put a smile on my face (even through the darkest times) when I would go outside and he had that little shy bashful look on his face When he would see me it always gave me some peace that there was still good people in the world and his advice was always with good intentions. Only a couple days before he left us he went to my house a couple times, which I hadn’t seen him for a while, and we had some good talks and I am so grateful I got to have that time with him. He even showed me his good, but he was so excited about which chapter turned into the tragic incident that took him from us. I will forever be so grateful of our friendship and I all the memories we shared.. Eddie Siempre te extranare cabron y vas a tener un espacio en mi corazon por ser un amigo tan amable respetoso , por escuchar mi loca vida como novela y darme buenos consejos o por decirme dejate de pendejadas consiguete un rico haha y por ser simplemente tu Eddie... I really wanted to be there today and I tried my hardest, but you know my life there’s always a struggle or something that literally blocks me from accomplishing what I need to. This is why I wanted to write this and I will go and visit you as soon as I can, I promise. I will always be looking up and remembering you please still keep an eye on me ☹️

And thank you for always trying to keep the peace and try to keep things united between me and little Snippy you were always so good at trying to make a terrible negative situation into a positive

*one just so I wouldn't feel completely bad and to see your friend not getting told off. You always try to get me to see the big picture and not focus on little things so thank you again I will cherish all of that and you forever. I know Andrew and me are going to miss you a lot*

*Yes he did. I still cannot believe it. I am so sad over this. I can just imagine the pain you all are going through. My heart goes out to you all and I'll keep you in my prayers. I am very hurt. I did not make it to the funeral home but if you would let me know where he is buried at, I would appreciate it so I could go and see him there.*

“ I am sorry I can't be at the memorial today, since we thought it would be too hard for the kids. But I wanted to share the special memories my two little ones (Eddie's cousins) will forever remember about him. Anastacio Lopez says he'll never forget how nice he was, would play soccer or play box with him, and always brought him things, he's so thankful for the giant teddy bear he gave him that he uses to wrestle with EVERY day to this day. Alejandro (Aj) Lopez says he'll never forget him always playing catch or soccer with him when he came over and bringing him baseball gear. As for me his cousin's wife I will remember how kind and polite he always was when he came by our house. He was always so helpful to all of us, helping Alex around the house, picking the kids up from school for us a couple times, and anytime I pulled up and seen he was there I knew he would be right there to open the gate for me or help me carry in groceries. We are all so sad he was taken from this world so soon, we hope justice is given for him, and most of all that he is now in a better place resting in peace. And last our deepest condolences go out to his entire family and loved ones, we are so sorry for the pain you are going through.

Thank you Christina, the boys need to remember Eddie as he was, not in a casket. I thank you for your kind words.
