“ Edward, you were such a special soul, your personality and your smile were bigger than life, you were honest and compassionate, and the love and devotion you had for your children is what made you their hero. You came a long way in your life and I am very proud of the man you became, one that everybody looked up to. I am heartbroken that your life ended so soon. The world will never be the same without you. I will love and miss you Edward, til we meet again.

“ My Ed I miss you so much. I’m always gonna remember you calling me at midnight saying “well cas if you’re bored come over” and that was your very own way of getting me to go with you to the casino till 3 am. I wish I could have it back. I wish I could call you and say look I have this idea and see your views of it. Thank you ed for everything you did. You were an amazing man inside and out. You accomplished more than anyone thought you would ever ❤️ I’m going to miss that smile, your laugh, your blue eyes, your comments on Facebook but most importantly I’m gonna miss you and your hugs 😞 I love you my ed until I get to hug you again. 💙 I will always carry you in my heart.

“ Eddie was always one to stand tall and true. He had a heart of gold. The father he was to his kiddos was always a stern, compationate, constant other fathers could have definitely learned a few things from him. He will truly be missed by any and everyone he knew... All around great man taken too early!
