

## Elizabeth Cordova

October 22, 1963 - September 24, 2024

1963 – 2024

Heaven: the final frontier, these are the voyages of Elizabeth Mary Cordova. Her sixty-year mission to explore family/teaching/coaching, to seek out happiness and Reese's Peanut Butter cups, she boldly went where no one has gone before! (Insert opera music)

Elizabeth's Star Date was 1963, born in Sacramento, California. She grew up around the world, living in an Air Force family. Influenced by a brilliant sassy mom Patsy Cizan, and separated by a year to her naughty but protective sister Pam. Those two were thick as thieves, they have been hand and hand in all sixty years around the sun. Four years later the beautiful and smart sister Heidi was born and they made a trio. Six years later the final Epic Cizan sister Patricia was born. Planet earth was not ready for all of them!

Since a young age Elizabeth has always been clever and rambunctious, from throwing stones in Spain at the gypsies then blaming her sisters, to watching Barnabas Collins behind a couch while Dark Shadows flickered on the TV.

Elizabeth graduated from Highland High and Highlands University. After college she met and married her main squeeze Captain James Tiberius Kirk. Ahem, I mean the most amazing man Gilbert Cordova. They fell madly in love. They swooned so much that they bore a legend Brad Gilbert Cordova. Elizabeth loved both her Gilbert and Brad with all of her soul. Brad and

Elizabeth went on so many adventures throughout her life from roaming the Vegas strip/diving in all of the pools, to riding any roller coaster they came across (even though she would cringe every time she got on), she was always a kid at heart so every trip was amazing. She was an avid Tennis fan so it was inevitable that Brad and her took the city of Paris by storm to see the French Open. In 2018 her grandson David Thor Cordova was brought into her galaxy which became the center of her universe.

Her life as a teacher was dedicated to her special educational children and all of the children of Belen. She taught them to “Live Long and Prosper”, and to be the best people they could be in life. There is not a place in Belen, that our family has been (and honestly through the US), that someone does not know Mrs./Coach Cordova.

She loved coaching. She always found time for her basketball kids. Even if they were winning by 80 points she made them play hard and loved every second. Whether they won or lost, she was always so proud to be all of their coaches.

Elizabeth helped each student mold their future spearheading Spelling Bee and Math night, “as logic is the beginning of wisdom not the end.”

She was a die-hard Bears fan, welcomed free flowing margaritas, loved movies and especially movie popcorn with extra butter. She never forgot a birthday and everyone always looked forward to getting that gift card in the mail. Food network was her jam, and she loved to destroy people on any board game (especially Yahtzee!)

Elizabeth has been and always had so many loving friends. She lived “now” and always made most of her precious time with them.

Through her fight she straightened her “Queen of Belen” Crown and fought harder and harder. As they were “Doctors not fortune tellers” she beat the odds on every evaluation. She was never ready to put on the “red shirt” uniform.

On 24 September 2024 her Dylithium crystals were drained, she gave “all she

got" with her family surrounding her.  
Beam her up God.

Elizabeth joined her husband Gilbert Cordova, her mother Patsy Cizan, her grandparents Grace and Andrew Atencio, Aunt Rosemarie Rodriguez and Uncle Bill Atencio (Lupe). She is survived by son Brad Cordova (Esther), sisters Pamela Cizan, Heidi Scheppers (Scott), Patricia Cizan and Aunt Judy Cizan. If that is not enough greatness she also has one amazing grandchild David Thor Cordova, and two nieces Madelynn Watkins (Andy) and Sheridynn Scheppers (Collin).

The Fiesta will begin at Our Lady of Belen, 101-A North 10th St, Belen, NM, on 27 September 2024, starting at 12 pm Visitation, 12:45pm Rosary, 1:10pm Eulogy, 1:30pm Mass and a party to celebrate the wonderful life of Elizabeth Mary Cordova 2:30pm Eagles Avenue 19586 Hwy 314, Belen, NM. We will have Elizabeth Mary Margaritas in honor of the Legend!!!

“ Elizabeth Cordova was a good woman. Our community is lessened by her passing. When her 4 year old was too apprehensive to be on the karate training floor, she got on the floor with him and did the Tiny Tots class together. Brad went on to become an accomplished Brown Belt and Elizabeth herself became an excellent student in her own right. We enjoyed our years training together and it was always good to see her around town. Elizabeth was an excellent mother and wife. Our prayers go out to Brad and his family. Her light is not gone, it lives on in those who loved her.

“ *Brad, Esther, David Thor, & Cizan family,*

*As you already know your mom was an amazingly phenomenal human being. Every child she taught and coached is better because of her. I hope you know just how much she loved and cherished each of you. May you find comfort in knowing she is at eternal rest with your father and Our Lord. God bless you all 🙏🕊️*

“ *My heart is broken for you, Brad and your family. As well as for you Heidi. I was blessed to have worked along side Liz for one semester. Her sense of humor was out of this world. She made me and the principal laugh so hard that the students were more behaved than the 3 of us adults. Mark was surprised at how quickly Liz would put a dent on every car she owned. Two weeks nee and poof a dent. She was a lot of fun. This was long before Gilbert's tragic death. We were truly blessed she was in our lives. Of course as often happens with life we lost touch with one another. The last time I saw her was at Our Lady of Belen Fiestas a couple of years ago. She was smiling and laughing as she was the case when I worked with her. Her life is now her legacy is Brad with his God-given talents. Belen lost a wonderful person and Heaven gained an awesome saint.*

“ Today, I lit a candle for my best friend Liz and for Gilbert to go in peace as one. I remember meeting you 25 years ago. You were on the hiring team. Little did I know we would become such great friends. We have many memories from our teaching days at Central Elementary and our personal lives. You were so funny and light hearted. I will miss our morning messaging or talking to each other. My sympathy goes out Brad, Esther, little David, Heide, Thrish and Pam. ❤️

“ *Mrs. Cordova ran The Friendship Club at Central Elementary School when my kids were young. She provided a safe space where they felt welcome always. We loved being sure to stop by her house at Halloween to say hello. She was a very special person who touched our lives profoundly. We will miss her reassuring presence on this earth*

“ Coach Cordova was my 6th grade basketball coach nearly 20 years ago. I was an angry child she knew I was going through it and she changed my outlook on life at such a young age. She cared for me through that anger and always looked past it to see me for who I truly was, her kindness and encouragement really healed me in so many ways. She was a gem and will be missed. ❤️

“ Brad and family, I'm so sorry for your loss. When I met you and your mom the first day of kindergarten, many years ago, my heart gained two great people. She was always so proud of you Brad! Through out all these years when we saw each other at school, Walmart, and church functions she and I would always talk about you Brad. She would pull out pictures of you and later your family, she was so proud. Your mom always made me feel like family. She will be dearly missed by me and so many. Rest in peace Elizabeth Cordova and may God's perpetual light shine upon you. Love, Mrs. Cindy

“ When I started teaching at Central elementary, I was new to teaching and a bit lost. Liz welcomed me with open arms and helped me through the journey of becoming an effective journey. Whenever I was having a bad day or just frustrated, she always had something funny to say which always made me feel so much better. We had a lot of laughs at Central. She was my dear friend and I loved her very much. I will miss her dearly, but will never forget her. I'm sure everyone in heaven is laughing and having lots of fun with her there.

“ *I couldn't have asked for a more friendly, supportive, caring, and knowledgeable teacher upon starting my career as an Elementary Principal in a new district. Elizabeth Cordova was there for me from day 1 when I was principal at Central Elementary. I will always be grateful for her genuine love and passion for teaching, supporting students through various challenges, and making the school environment fun. I will always think of her when I have a Reese's peanut butter cup. I always appreciated her checking in on me and asking about my family. She was one special lady who kept such a jovial and fun spirit. Thank you for all the laughs and positivity. Thank you to the family for sharing her with Central Elementary. I remember her being so happy when her sisters, mom, and grandma would attend the school events, and she was certainly a very proud mom and grandma.*
