“ Liz will always be remembered as the person who gave the greatest comfort, and peace of mind to my family. She took care of my mother for 5 years before my mom passed away from dementia in January 21, 2021. She was a beautiful friend, and knew how to make people laugh. She was there for us during the thick and thin of and through the best and worst times. She also introduced me to my best little friend Carmelo (aka Walle). Love you girl! Miss you tons already 😭. Love, Lynn
