“ Prayers to you my dearest, *Ida*, as I extend to you my most heartfelt sorrow and condolences. I will forever cherish the time you and *Eloy* came to visit me in Colorado. With a heavy heart I bid *Eloy* farewell. We shall never see a gentlemen such as this in our lives, ever again. From the far off shores where I live, I would like to share a simple Irish Blessing in closing. Deep peace of the running wave to you. Deep peace of the flowing air to you. Deep peace of the quiet earth to you. Deep peace of the shining stars to you. Deep peace of the Son of Peace to you.

“ I miss my big brother Eloy so much already that I feel so lost. I felt so protected when he was out at his field working his land. He always called me when a car was in my driveway that he didn't recognize to make sure I was safe. He was ready to help me anytime I needed him. I will especially miss his hot salsa which he made with such love and shared with me. To Ida thank you for your love for him and giving him such wonderful daughters. He has a beautiful family and I love you all.
