“ There is not a day that goes by that I do not miss my loved ones in NM, and Auntie Elsie was one of them. There are many things about her that I remember clearly: her intoxicating laugh, her welcoming voice, and a fiery sense of humor. In her life she had experienced many hardships, but she remained strong – as strong as a house built upon the rock, and her rock was the Lord Jesus. We will all surely miss Auntie until the day we are all reunited.

“ My beloved sister I'll miss you dearly, we were always there for each other through good times & hard times. I could talk to you about anything, & everything. You would always tell me, that's I was your baby sister & to listen to you. You were there for me growing up, when mom wasn't around. You were always good to my girls. I wish you were still here, now your with the angels in heaven & our loved ones. I'll see you again one day, I love you & miss you.

“ To my family in New Mexico - I'm so sorry for this loss - so sorry I can't be there with you now. Aunt Elsie was a wonderful aunt to me - someone I respected and someone I looked to as an example in my life. In my heart, she was more than an aunt, she was my second mom and the grandmother I never had. She helped raise me. I love her so very much and I will truly miss her for the rest of my life... I know that I'll see her some day soon again, but I'm still broken hearted that I will not see her here!

God always provides, and he provided me with her for many reasons. She was an example for me of what a loving, dedicated, strong, enduring woman was. She was also very smart and kind always. She loved people and never wanted to see anyone hurting. She was never too busy to listen and to talk to me when I needed her, I will especially never forget that. I respected my Aunt Elsie so much, she was the glue for our family. Without her, it'll never be the same. I know that she's with God now and doesn't have to ever go through anything hurtful and bad again, and that, is what I'm thankful for!

Special "Thank You" to Desirae for loving and taking care of your grandmother every day these last few years. None of us really know how hard this is - especially on you. You and Chris were the light in her eyes! And to my mom (Mary Jean) for always staying close to your sister - for loving & being there for her always...
