“ *Marilyn and Elsie - so sorry to hear of your mother's passing. I've known her for quite a few years. She even baby sat for my kids (she didn't even know them) but she knew my husband was in the Knights with your dad so she figured they were good kids. I would never had done that. I will try and make it to the services. I had been thinking about her for the last couple of weeks but didn't know how to get ahold of you. May she rest in peace.*
