“ I had the pleasure of meeting Emilia in October and immediately fell in love with her beautiful soul, I quickly learned how feisty she could be but also so gentle, she was tiny but mighty in so many ways, there was an immediate connection between the two of us, not only did I have the privilege of picking her up everyday and she sometimes putting me in a chokehold, we prayed together and I saw and heard how strong she was in her faith, I'll forever hold a special place for her in my heart.. My deepest and most sincere condolences to her entire family, Emilia, every day I walk into the facility I think of you and I'll always remember you!

“ *Emilia was ahead of her time. When I was in my teens she inspired me with her participation in politics and governing of our county and state. She said it was our responsibility to participate in the governance of our country. As a result I ended up active in politics in Kansas and DC during the Reagan years. She was a wonderful woman who was always friendly and kind. May she rest in peace. Our condolences to the family. Jim Marquez and Helen Marquez*

*We will miss Emilia at the Assisted Care Center. Our prayers and sympathy do we extend to her family. Emilia was always so happy to see the priest from St. Joseph of Arimathea Pastoral Care Ministry, who would bring here communion and Anointings weekly. Rest in peace and rise in glory with the Lord.
