“ *Le acompaño en su sentimiento, y comprendo por lo que está pasando, por muy desagradable que sea la muerte es algo que sucede día a día, pero hay una promesa según Revelación 21: 3,4, Juan 5: 28,29, Hechos 24: 15. En dichos textos está la maravillosa promesa de la resurrección. Estos textos me ayudaron a mí en momentos tan difíciles como por los que están pasando en estos momentos. Para aprender de esta promesa solo tiene que seguir el consejo de Juan 17: 3. Con este pensamiento en mente le invito a que visite el siguiente enlace, <http://www.JW.org/es/publicaciones>. Con /libros/tratado-muertos-volver-a-vivir/ Ahí encontrara un artículo que habla más al respecto.*

“ As a teenager in high school, we would sometimes go to 'Robert's house' for lunch. Robert's mom would always have a big smile on her face and feed us, Robert's starving friends. We always felt welcome, like one of the family.

I still keep in touch with Robert and Vicky, and I feel her presence through their positive attitude, kind words, and willingness to help anyone.

Your mom passed on the most important assets our society is desperately needing. She will be missed, but the world is a better place because of her short presence on it.

God bless you all.

“ I am deeply saddened by Emma's passing. I first met Emma and Joe when they used to go add music and collect the money out of the jukebox/pooltable at my grampa's bar in Veguita. LA Casita Bar....I adored Emma and He. Later on as a grown up I bartended at several local bars in Belen/Los Lunas area and had the pleasure of meeting them again. We became very good friends. I kept in touch with Emma at church...please know Emma is with the love of her life. He was at the gates of heaven ready to put her to work.....counting the coin from heaven's jukebox. I will forever remember Emma and keep her in my heart. I pray you all find comfort in each other. God Bless you all and may Emma rest in peace. Bernadette Lopez Moya (aka Berna) Veguita

“ When my Mom made the decision to bring My Grandma to Arizona due to her failing health it was the best choice she made.

My Grandma had the time of her life with us here in Arizona since her/our eminence loss of My Grandpa Joe.

She got to know, share, spend time and truly enjoy her family up here. We were able to help give the feisty spark (Cindy gave her the nickname Governor) back in her life again. We each took her to places she hadn't been since her kids were little. From enjoying the beaches of California to watching fireworks in Las Vegas.

She would sit at me sister and brother-in-laws' pool for hours (sometimes dipping her feet in) watching my son (who she watched like a hawk at any given time day or night), my nephews' and nieces' and their friends having a blast.

We were able to see her pride shine through within everything that we shared with her. From seeing her first Great Grandson Steven Graduate to meeting her newest Great Grandson Jackson and everything moment in-between.

Who ever had the honor of know my Grandma knows what a wonderful woman she was.

But we were FOREVER Blessed to be able to live with her to help through her journey for these last moments of her life.

To my Mom you can't ever be thanked enough!!!

*To my Grandma... we are eternally blessed because of you!!!!
PLEASE learn to use your wings quick cause you know your Great Grand-kids!!!*

*Love you Gram,
Lis*
