“ *I am very saddened at the loss of my Tia Ernie. She was always so welcoming and loving to me. We didn't get to see each other often, but I remember her house and the fun times I enjoyed visiting my Tia n Tio. Living in NJ over 30 years and largely out of touch, I was blessed and am very grateful to have had her by my side as my father Eduardo (Eddy DeAnda) took his last breath. Tia was instrumental in bringing my dad's family to see him and support me and my mom when we really needed them. She held me and let me cry, cry, cry and told my own mother to LET me cry. She showed up the next day with red chile enchiladas ! I also remember the fun camping trips taken with her and my cousins and Tia Matty. Please accept my heartfelt condolences to you and all who loved her. I LOVE that she told it like it was...must run in the family :)*

Jennifer thank you for sharing this lovely memory. So many people will remember mom for her enchiladas. If she cooked for you that meant you were special to her. God bless you. We will probably not have occasion to see eachother ever again. But you are my prima and I won't forget you. Love LaDonna

“ Ernie,

I enjoyed working with you and learned so much from you. You told it like it was and I loved that about you. You have my utmost respect and I will miss you dearly. May you rest in Peace. I pray that God wraps his arms around your family during this time. You are now re-united with Eddie and I am sure you two are dancing away up in heaven.

Love,

Thank you. Mom loved her time at the Village of Los Lunas. She cherished all the friendships she made there. I was gratified to see and hear from so many of you, her co-workers, over the last week. Please pray for her eternal soul. And God Bless.

“ Remembering Ernestine and family growing up in Los Lunas. Our parents spoke with the **UTMOST** respect of the Giron family! It's sad to see **ALL** the people, "to me that were the foundation that made Los Lunas" passing on. From the family of Emilio and Sefy Perea (who have gone to be with Our Lord and savior) we offer our deepest Condolences and Prayers!

“ *I can't believe you're gone Auntie. Remembering my childhood these past few days & so many of them involved you, uncle Eddie, LaDonna, & Kenny. All the camping trips, all the celebrations we would have at your house. I could always count on you for so many things, like when my mama passed. I was lost & you hugged me & told me if I ever felt lonely & needed a Mother's love you were there. You have a special place in my heart that no one will ever be able to take from me, I love you & miss you.*

Ernestine (Auntie Nernie) You will be missed very much. I loved you just my own Mother. Now that your gone I have no one to call and ask questions, talk too, & ask for comfort like a daughter would ask of a Mother. I know you are in a better place. I just cannot believe you are gone. You raised two wonderful Children. La Donna, Kenneth, and family I send you my most deepest Sympathy. Love Carla
