“ I just barely found out that my friend and co-worker from the COA is gone. He was one of the funniest, special person I've ever known. He always believed in me and my work, and always advised me to keep my chin up. It was so sad to hear of his passing. RiP Geno!!!

“ Gene was one of the first people I met in the 1970s when I started working for the Albuquerque Parks and Rec. Dept. The Building Inspectors were on the same floor in City Hall. We'd see Gene at the elevator or he'd poke his head in the door at P and R and say hi. He was always friendly, cheerful and upbeat. I know he was well respected by his colleagues and co-workers. My condolences to the family on his passing. May peace and comfort come from Christ Jesus.
