“ *Our deepest sympathies to the entire family of my Aunt Vangie. She was a beautiful person. I remember after my mom (her sister Logie) died she would bring us all kinds of goodies, which we didn't get too often. I'm sorry and will miss her greatly. She and Uncle George stood up for me and my husband at our wedding. Love you always.

“ *Yvonne, George, Angela and family, my deepest condolences in the loss of your beloved mom, grandma and great grandma. Vangie was an amazing and caring woman. She was a teacher's aide to my daughter in kindergarten, and I'll never forget a field trip I went with the class, Vangie made sure that she took enough food just in case that some child had forgotten to take their lunch. Many years later, I was in need of child care for my son, and she was there to take care of him. Thank God for Vangie who loved and cared for our children as she did. May she Rest In Peace. Prayers for all of you at this time of sadness.*
