“ There are so many good thing that can be said about Uncle Fabian. Always smiling always laid back always welcoming. He had a heart of gold. I remember a long time ago in his boxing days how strong he was and when they had a blue t top Camaro how cool he was. He was a hunter an out doorman and still like to get jiggy with it to some Club Nuevo. All memories I will cherish the rest of my life. The world won't be the same without this amazing man. I love you uncle. Rest Easy 🥺❤️🥺❤️🥺❤️

Fabian and I would often ride the Railrunner to and from work at the same time. He made the trip more enjoyable and quicker. A few times his daughter Samantha was on the train also. Prayers for him and his family during this hard time. RIP my friend.

I worked with Fabian for many years at the TSC and with his mother Jenny at the ADOC building before the TSC. Fabian worked with me in the same unit when I first transferred over from ADOC to the TSC. He was a very nice and smart man.
