“I know of no more permanent imprint on life than the one made by mothers” quote by Charles Swindall. Florie you leave the imprint on the hearts of your children and grandchildren. We met working for Belen Schools and Florie said to me "I picked you as my friend so don't you forget it and also that I'm your number one!" And I answered, "Bueno Ms Bossy!" We were like sisters and an old married couple. We shared each others pain, laughter, love and happiness. Rest in peace my friend. I miss you already! Your forever friend, Juanita
