“ *Kathy was a Family Friend. She always had a good word of advice. the last time we visited she remembered my children's names and their ages. we lived away for many years but she kept up on them. She always took the time to "catch up"* ”

Kathy was a wonderful friend who I will miss forever. Art (Dad) and Kathy took my children and I under their wings when we moved to Missouri. When Kathy and Dad moved back to New Mexico our friendship continued through the years. We talked often and I always loved chatting with my sweet friend. I will miss her dearly. May she rest in peace.
