“ *I have known Foch Romero as long as I can remember. We use to play pinball at Dickeys and worked over at Kenneth Bell's. We drove at Roadrunner Trucking together and he used to live across the street from us. He use to come visit us every Sunday for many years. I say this with great affection that he was one of a kind and his spot on earth can not be replaced. Gerald and Sandra Gromatzky send our love and prayers to the family.*

Gerald & Sandra Gromatzky - March 25, 2021 at 09:50 AM

That's an awesome memory about my brother and thank you for sharing! You're correct as Foch was always one of a kind rather he was ornery or not!

John Romero - March 31, 2021 at 07:44 PM

I am Foch's Little sister Robert. What wonderful memories your comment brought back. I was thinking about dickies and I remember it well. So you and my brother actually lived across the street from each other and drove a truck together. Thank you so much for sharing. God bless you!

“ One of the most favorite things that he loved to do was to come over to my house; I am his sister, Mary Romero, and eat beans and chili and Spanish rice. After he got sick, and was in a wheelchair, we used to bring him over to my house and we would sit in the backyard and eat and drink iced tea. My brother, John Romero, and I would take him to Pete’s Café once a week for lunch and he sure did enjoy it.

“ Foch was 15 year's old when I was born and my oldest brother. There are many cherished memories but my favorite memory of him is that he taught me to walk and I remember it. I was well over a year and knew how to walk but refused to do so unless someone was holding my hand. Foch put a screwdriver in my hand and held the other end. Off we went walking and he let go of the screwdriver and I kept on walking thinking that he was still holding the other end. I wasn't very happy when I saw that Foch had let go but I have walked ever since! I will never ever forget that memory of my brother.
