“ Every now and then I go to FB looking for Frank. We dated when I was in high school and when he was in the Army. He was such a caring, kind and loving gentleman. I met him when he was the manager of the band, "Snow Blind." I still have his photo and his letters to me. God bless his family and those who are grieving for him. He will be missed. Prayers to you all. I only hope I leave this world with people thinking of me the way we think of Frank.
