So sorry to hear about Fred, we knew him as a real "down to earth"
kind of guy. He loved his family, and loved to have a good time. His
smile always lit up a room. That's how we will always remember
him.*

*Our deepest sympathy and condolences to the Kronig and Paiz
family.*

“ *I don't really know what to say except that we have lost a great
friend, Even though we didn't see each other very often, the bond of
our friendship was always there. The great times we had playing
softball for Albert's Angels and the best part was after the games.
RIP my friend and may GOD bless you and your family.*

“ Fred was one of my best friends and my Angel at the same time. When we were 16 yrs old I got into a car accident and Fred was behind me when this lady hit me from behind and my car almost went into the Tabet house. My car was totaled and Fred was there to pull me out of my car I don't even remember him doing that because I was out all I remember was waking up outside of my car with Fred kneeling next to me and he told me he just pulled me out the car. I dubbed him my Angel ever since then. Fred RIP Now my Angel will b watching over me from above
