“ Fred and Paul, I used to play in both their yards back when the small arrogation ditch ran water behind the jr high, when simon newsteds gave out s&h green stamps, back when tony gomez lived at the end of the street by robert scot, when the bowling alley was next to the mail and there was a block ice machine in front of the village gas station. Fred was such a nice person, I am glad i had introduced my family to him. I will miss Fred and Paul.

“ My name is Suzie Bousek Neff. I am trying to get information on Fred's passing. We go WAY back. I just recently learned of his passing because I found some old baby and childhood photos of him and wanted to pass them along to family. Is there anyone out there that could give me some info about Fred?

“ Man, where do I start? Fred was my neighbor from back in the original 'Sesame Street' days! He had a great sense of humor that made it easy for us to get along. His parents passed away when he was still very young and I know that took a huge toll on him. Fred loved music. He was the first in Los Lunas to be jammin' Metallica. A lot of people didn't like that kind of music back then but's that's what made Fred different. He always listened to new stuff or did things no one else thought of. My friend Fred was a pioneer and one tough hombre. I'm gonna miss you BAD bro'...Finally you are at rest Fred, go to your parents and be a kid again. I will never forget you. Your pal, Barta.
