“ *Gabe,
You were like a son to us, so many fun times when you were at our house hanging out with Ray. You were such a big part of our life. The last time you were at the house after you guys had gone to your class reunion, you had us laughing so hard just like old times. My prayer for you is that you know how much you will be missed and how much you meant to us.*

Gena, Val and family,

We are so very sorry for your loss, it breaks my heart to know what you are going through. I pray that God gives you peace and strength.

Love to you all ❤️

I'm really going to miss you nephew! You always gave me the best hugs every time that I saw you. When I go back to the casino, I will always remember you, when I see those gorillas that you loved to play. You may be gone, but never forgotten ! I'm glad that I at least got to tell you that I Love you, not too long ago! Rest in peace!
