“ Gabe, I'll never forget that smile you had from ear to ear on your Hito's birthday. When you were telling me, look look look at Elias, he's climbing the wall and jumping from the top onto the trampoline, but then Elias didn't do it again and you're like oh he's not gonna do it. You will always be in our hearts, and you can rest easy, just know that your babies will be well taken care of because you had a lot of people who loved you and your babies. You were known to be a Good dada. We will miss you Hito.

“ You will be missed you were a great dad for your babies . I remember you when you were in school out going hyper like any small kid . Then you came into our family and we embraced you as our own . Loved to see you around your kids always being there for them and your smile you were always respectful to us . You are gone but not forgotten your legacy will live on with your kids .
