YN

“ My brother-in-law Gabriel was a good husband grandfather and friend. He had a way with his grandchildren - he gave them all his love and attention. You would always find him playing a game, spending time outside and just having a laugh with them. This is the main quality I will always remember. I know his spirit will guide them as they continue their journey in life. We will all miss him and his smile but know he is in God's glory.
